

Bareboat Charter Sailing Résumé

The following information is an integral part of the Charter Agreement and must be completed by the skipper of the yacht to be chartered

SKIPPER'S NAME: AGE:

YACHT CHARTERED: Dates:

NOTE: Whilst we are interested in any prior power boat experience, please note that answers to the following questions should be in respect of SAILING VESSELS.

- a. For how many years have you been sailing?
- b. Approximately how many days per year do you sail?
- c. What is the largest yacht you have skippered? When?
- d. When did you last go sailing? What type of yacht?
- e. Approximately how many times have you anchored a yacht of 30 feet or more?
- f. Are you able to:
- | | |
|-----------------------------|----------|
| Sail to and from an anchor? | YES / NO |
| Set twin bow anchors? | YES / NO |
| Set bow and stern anchors? | YES / NO |
- f. Do you currently own a yacht? If yes, what type?
- g. Approximately how many nautical miles have you logged as skipper?
- h. Do you hold any formal qualifications (ASA, CYA, RYA etc)?
- i. Are you -
- | | |
|--|----------|
| (i) Proficient at chart reading and visual coastal navigation | YES / NO |
| (ii) Knowledgeable of Rules of the Road | YES / NO |
- j. Have you chartered a yacht before? If yes, please give details of yacht type, company from which you chartered and location in which you sailed (list last 3 charters):
.....
.....
- l. Have you ever damaged a yacht on a previous charter? If yes, please give details. YES / NO
- m. Skippers should be competent to deal with minor problems which may occur on yachts from time to time (for instance replacing an alternator belt) and should also be capable of such tasks as checking oil and battery levels and monitoring engine performance and temperature. We do not expect you to be a mechanical or electrical engineer - but we do expect that you are able to carry out basic tasks. Do you feel competent in this area?
YES / NO

If you do not own a yacht or have not skippered a yacht before, but feel that you have sufficient experience to skipper a yacht, please give full details of your sailing experience below, and any other information that you think may be helpful in enabling us to assess your sailing skills.

I certify that the information provided in this resume is accurate. I understand that if any statement is found to be false then I may be held fully liable for any damages to the yacht and her equipment. I also understand that if, during the check-out, there is any reason to doubt my competency, then a skipper may be placed aboard at my expense for such period as is deemed necessary by the Base Manager.
